TOMORROW & TUESDAY 20TH DECEMBER

FROM OUR ACTING PRINCIPAL

It has been a very busy week at AGPS. The Year 4s spent a day at the Enchanted Adventure at Arthurs Seat for a fun day linked to the inquiry about community spaces. The Foundations had a World of Dance Incursion on Tuesday and then on Wednesday the Year 5s visited the Melbourne museum and IMAX.

"It's beginning to feel a lot like Christmas".

Last week I went with Graeme to meet Lou at the Evergreen Christmas Tree Farm, located in Bangholme,

to select and collect our tree. The tree smells beautiful and will be dressed and on display in our admin area. Lou's Christmas tree farm is open to the public on weekends for those wishing to get a real tree this year. Be sure to sign your name up on our AGPS school clipboard when you make a purchase, as 10% of your purchase will be returned to our school for fundraising and you will be in the draw to win a free tree next year. Congratulations to Espi in 4OM who was this year's lucky winner of the tree.

Over the next couple of weeks, the students will be practising a Christmas carol with their classes. We will be recording these in Week 11 and sending them out as a celebration video on the last day of term.

Aspendale Gardens Community Fun Day

Saturday's Community Fun Day was very well attended by our school community. Some of our school groups took to the stage throughout the day. The school choir, the dance group and Katani's singing group all performed well and provided some excellent entertainment for everyone. I know the groups have been working towards our 20th anniversary and the community fun day for a number of months, and all the practice certainly paid off. Thank you to Miss McGregor, Mrs Nicolson, Miss Archer and Katani for their rehearsals with the students and supporting them on the day.

Pupil Free Day on Friday 2nd December

Friday 2nd December the students **will not** be required to attend school as it is a **pupil free day**. The staff will be in school for the day, planning the 2023 curriculum. We are always reflecting on our current teaching and learning programs and looking at ways in which we can make them more impacting and engaging. We will have a focus on our Inquiry approach, with the intention of identifying ways in which we can broaden the themes and focus on wider concepts. The English focus will be on our Daily 5 program and ways in which this program can extend the students reading fluency, comprehension and appreciation of rich texts.

Write4fun

Congratulations to Charlie O'B in 4RK who achieved in the top 5% for the Write4fun Unleashed competition. His poem will be published in one of the competition publications. Here is his poem for you to read:

Bawking Chickens

The bawking green chickens live in outer space,
Leaving violent green feathers all over the place.
Their eyes grow bright yellow like the great glowing sun,
And their sharp claws would gladly attack anyone.
Their wattle and comb are imperial red,
And the look in their eyes will fill people with dread.
You can foresee an attack upon the earth below,
When the moon inherits an eerie green glow.
They have once attacked and I'll describe the scene,
Below the moon that was shining green,
The humans were all scattered around,
While the dangerous chickens made bawking sounds,
And smashed buildings, trees, parks and the school,
One of the boys thought it was kind of cool.
"No, no, it's not cool!" said the little kid's dad,
We're being attacked by the birds from the cornflakes ad!"

Food for Families

There was an amazing amount of produce donated for the 'Food for Families' collection. These boxes were collected earlier on this week and will be distributed to families who are in need over the Christmas period. Thank you to everyone for your donations, we filled 33 boxes of produce!

Music Soiree

The students who have instrumental music lessons at school will be performing to their parents and family members on Tuesday 6th December, with the evening beginning at 6.15pm in our CLC (Creative Learning Centre). The students have been practicing hard and will benefit from the opportunity to perform in front of an audience. We look forward to being entertained by all our talented instrumental music students.

TERM 4 WEEK 8

Foundation—Year 2

Years 3—6 & Specialists

FOUNDATION World of Dance Incursion

On Tuesday 29th November the Foundation students were involved in a World of Dance incursion presented by Supreme Incursions. Our Central Idea for the unit is 'People recognise important events through celebrations, traditions and festivals'. Students explored music and movement styles and traditions from around the world. They enjoyed dressing up in different costumes to learn more about different cultures.

ENVIRONMENTAL LEADERS' DOLPHIN SWIM

On Tuesday the 29th of November, our four Year 6 Environmental Leaders and Marine Ambassadors ventured out into Port Phillip Bay onboard the Moonraker. The sun was shining for Hazel, Ben, Sarah and Georgie as they, and other Marine Ambassadors from the region, were recognised for all of their tremendous work throughout the year.

The day began with a drive down to Sorrento, where we waited for the Moonraker to pick us up from the pier. The Moonraker crew then fitted everyone's wetsuits and fins, before the adventure really started! Whilst conditions weren't ideal, they were definitely preferable to the weather we have been experiencing over the last few weeks and months. Unfortunately the students did not see any dolphins, however they were able to spend some time investigating the seal colony at the South Channel Pile Light. A number of seals were diving and swimming beneath the snorkelers and bathing in the beautiful sunshine on the structure. And let's not forget the smell!

The Marine Ambassadors and sightseers were then ferried to the Blairgowrie Marine Park at the Blairgowrie Pier. Being closer to shore and protected from the elements, students were able to observe the local marine life around the pier and marina, including a number of fish, stingrays, seaweeds and sea horses. A delicious hot chocolate was provided by the crew as we headed back to Sorrento. It was a fantastic day and well earned by all involved.

Amy Kelly (Environmental Coordinator)

Performing Arts @ AGPS

Recorders are required for year three.

They are best purchased through a music store, BigW or Officeworks.

THERE'S A BEAUTY IN
BEING PART OF A
BAND, WHEN THERE'S
EQUALITY AND TRUST.

Senior students also begin to study basic Ukulele, Keyboard and drumming. Students would benefit greatly from these units if they had an instrument at home to practice on.

As students' progress and develop skills, they are encouraged to join "Band". I look forward to jamming with next year's musicians.

Merry Christmas

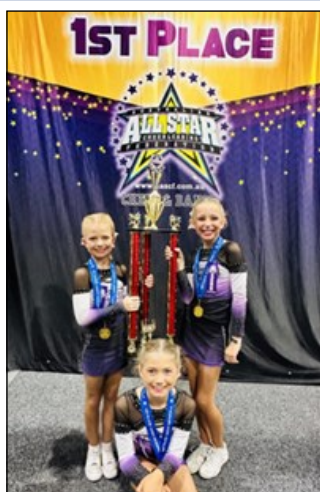

Mrs Nicolson & Ms McGregor
